

### **2017-2018 Adolescent Program Supply List**

- Scientific Calculator: of course there are more advanced calculators available; however, more bells and whistles can inhibit the basic functions of utilizing the calculator for learning. Having a more advanced version can become confusing in class as operations/functions can change, making it more challenging to follow the rest of the class.
- **\*\*\*Outdoor shoes or boots\*\*\*** (That are different than your scholar's indoor shoes - will remain at school)
- 12" ruler (inches and centimeters)
- Box of colored pencils
- 2" graph paper (1/4 in.) spiral notebook with perforated paper
- 1" package of lined paper x 2
- 2" binder for math
- 1" binder for workshops
- 1 water bottle
- 1 box of #2 pencils (24 amount)
- A thumb drive / memory stick to transport documents from school computers to home and vice versa.
- 1 blue/1 green 1" binder

#### **Students will NEED access to the following items:**

- A computer with word processing capability
- A working printer

#### **Community Contribution**

- Cloth napkin and washable placemat - can be used or from home
